Who is Hope of Life

If you are going to raise support then you need to know where you are going. Hope of Life is a missionary campus located in Zacapa, Guatemala that started on one acre of land, meeting the needs of elderly individuals who were homeless, abused, abandoned, and desperate.

Today, Hope of Life which calls a 3,000 acre mountain "home" is serving hundreds of thousands of people a year by hosting anywhere from 250-400 missionaries a week from around the earth. Saving Lives is the heartbeat of Hope of Life, physically and spiritually!

Liberty University has their School of Divinity on the HOL Campus and provides key training for Hope of Life. One of Hope of Life's mottos is, "Peoples basic needs must be met then we bring them Christ by showing them Christ." To date, Hope of Life has been able to impact millions of lives and has become a catalyst for change in the country of Guatemala. Hope of Life has done this through planting churches, leadership development, teaching values and principles, and creating sustainable economy through income sustaining projects.

Here are some of the ways that the projects of Hope of Life are investing in their communities:

1. Over 6700 homes built
2. Over 600 church planters trained
3. Over \$300 million in aid distribution
4. Over 28,000 dying children rescued
5. Over 475 clean water projects
6. Over 7000 children and elderly sponsorships financed
7. Over 80 feeding stations
8. Over 300 school and educational centers built
9. Over 550 church and community centers built
10. Over 30 years of hosting missionaries to serve the local people.

Fund Raising Methods

7 WAYS TO RAISE MONEY

1. **Create an online profile on GoFund Me or Give Send Go**

Share your profile on your social media (If you have it) to friends, strangers, family, co-workers, other church family and other like-minded people.

Go Fund Me Stats: 50 million users/ 5 Billion raised so far/ \$4 million daily/ 2 million campaigns. GiveSendGo is the same platform. It is very effective!!

2. **Family Sponsorships**

Contact family and extended family that u have a relationship with, to see if they would sponsor u with one of the 3 - 6 month Sponsorships. (See page 8) The goal is to find "residual sponsors" that actually care about what you are doing and are like-minded. Those people will appreciate your stories when you get back and will be more likely to re-sponsor you again and again.

3. **Online Sales**

Sell items you do not need to help raise funds. Sell other people's items for them. Use apps like Let Go, Craigslist, eBay, Offer Up. If you're not online savvy sell your items at a yard sale.

4. **Business Sponsorships**

Contact businesses that u have a relationship with to see if they would sponsor u with one of our 3 - 6 month Sponsorships as described on page 8.

Solicit businesses that your best friends or family members can refer you to. Ask them if they would like to sponsor you to help the people of Guatemala.

The sponsorships that we created are only asking for small donations like \$50 - \$100 a month.

5. **Labor Program**

Advertise specific skills on your social media that u may have to offer people in need of their services to raise funds. (Examples: Babysitting, Painting, Web Design, Photography, Transportation, etc...) Do not sell your services cheap. Remember to teach people your PURPOSE and your GOAL.

6. **Birthday Graduation and Christmas Gift / Fund Raising**

For those of you with gifts coming your way, seek sponsorship money instead.

7. **My Favorite: Work**

\$70 a week x 26 weeks is \$1800. \$35 a week x 52 weeks is \$1800. For some people, that is just one hour of overtime a week. Others, it is 2 or 3 hours of extra work. That's it!

3 - 6 Month Sponsorships

6 Month Full Sponsorship of a Missionary (Total Raised = \$1800)

Level 1 – Easy for a business

3 BUSINESSES or people donate \$100 a month x 6 months = \$600 per person

Level 2 – Easier for a business

6 BUSINESSES or people donate \$50 a month x 6 months = \$300 per person

Level 3 – Easy for anyone (Friend/ Family/ Business)

12 people donate \$25 a month x 6 months = \$150 per person

6 Month Half Sponsorship of a Missionary (Total Raised = \$900)

Level 1 – Easier for a business

3 BUSINESSES or people donate \$50 a month x 6 months = \$300 per person

Level 2 – Easy for anyone (Friend/ Family/ Business)

3 Month Half Sponsorship of a Missionary (Total Raised = \$900)

On the right are "Logout" and "Select Language" buttons. A dark navigation bar contains links for "LOGOUT", "GSG TIPS", "MY DASHBOARD", "VIEW MAP", "CONTACT US", and "BLOG". On the right of this bar are social media icons and the text "FOLLOW US: f t g y l n".

The main content area features a large image of a young child. Below the image are social sharing icons for Facebook, Twitter, and others. To the right of the image is a campaign summary box:

Here is an example of a good FUNDRAISING STORY:

Hello. My name is John Doe from Rhode Island College. All my life I have heard about people helping other people around the world and missionary trips but I just decided I want to start going myself to make a difference. An opportunity has just opened up for me to go to the Hope of Life campus in Zacapa, Guatemala with Let Love International. Through Hope of Life, we will be able to help the missionaries with various projects like drilling water wells, building homes, church and schools, participate in feeding stations at landfills, and assisting the elderly, orphans, abandoned and disabled children. On our next trip we are actually going to be participating in a Hope of Life Extreme Child Rescue. This is an 8-10 hour trip that will involve taking 4X4 trucks up mountains and hiking into remote villages to save children dying from malnourishment. So far, over 28,000 children have been rescued. Hope of Life is doing many things using the support of people like you and the physical labor of people like me.

So far: Over 6700 homes have been built. Over 475 clean water projects. Over 7000 children and elderly sponsorships financed. Over 80 feeding stations. Over 300 school and educational centers built. Over 550 church and community centers built. Over \$300 million has been given to Hope of Life in aid distribution. Last time Let Love International was there in June 2018, they packed (2) 18 wheelers full of aid for the Volcano victims!!

The cost per ticket is \$1750 and my goal is to attend more in the future. But I need your help. Actually, it's the people in Zacapa that need your help. If God has blessed you financially, would you consider sponsoring me to go help them using your financial support? No donation to small or to big.

Thanks, and God Bless, John
